

## **About the Bubishi Goju-ryu Karate-do DVD**

**This DVD is produced by Kenshu Hideo Watanabe, 9th dan Hanshi. It is the first of its kind in our Bubishi Goju-ryu Karate-do history. If you watch this DVD, you will understand what the Bubishi Goju-ryu karate-do is like, and how it is uniquely & slightly different to any other Goju-ryu karate around the world. After watching this DVD, you will see that your karate can improve even after 42 years of age and above. Unlike any other sports, our Budo ( Martial path) karate-do will continue to grow better even when you get older. This DVD video is proof of that.**

**It took 20 years of waiting and making for that vital message to be seen in this DVD video.**

**The contents of the DVD last 1 hour 36 minutes & it contains Kenshu`s karate performances over a 20 years period, kata(forms) explanations & the traditional karate messages such as:**
